

Runnable

```
graph BT; A[client.ClientOutputHandler] --> B[Runnable]
```

A UML class diagram illustrating inheritance. At the top is a white rectangular box with a thin gray border containing the text "Runnable". Below it is a gray rectangular box with a thin black border containing the text "client.ClientOutputHandler". A solid blue arrow points vertically from the top center of the gray box to the bottom center of the white box, indicating that "client.ClientOutputHandler" inherits from "Runnable".

client.ClientOutputHandler
